

Aboite Fire District

Current Services

- One 24/7 ambulance with one paramedic and one EMT
- Two weekday daytime firefighters
- Nights and weekends entirely volunteer

Proposed fire district services

- **Two** 24/7 ambulances, both with one paramedic and one EMT
- **Four** 24/7 firefighters
- **Two** weekday daytime firefighters

Why do we need a fire district?

- Increasing population = increasing call numbers
 - EMS 2010 = 631 runs EMS 2022 = 1321 runs
 - Fire 2010 = 271 runs Fire 2022 = 638 runs

Fire response times

- With on duty firefighters = 90 seconds
- With volunteers = 8-10 minutes

How is the district funded?

- Current fire tax = \$0.0632/\$100 of assessed value
- Fire district tax = \$0.1912/\$100 of assessed value
- Current tax comes off when new tax starts, as does ladder truck loan of \$0.0084, making a net difference of \$0.1196/\$100 of assessed value (7.7% increase)

Home Value	Expected Tax Impact	Cost per Day
\$100,000	\$119.60	\$0.33
\$200,000	\$239.20	\$0.66
\$300,000	\$358.80	\$0.98
\$400,000	\$478.40	\$1.31
\$500,000	\$598.00	\$1.64
\$600,000	\$717.60	\$1.97
\$700,000	\$837.20	\$2.29
\$800,000	\$956.80	\$2.62
\$900,000	\$1,076.40	\$2.95

We need your support to provide the emergency services necessary to save lives and property. Please [click here](#) to sign our petition and let our county leaders know you support the Aboite Fire District.
